Additional Information: Application and Re-Registration Fees are non-refundable. When withdrawing a student from Victory Christian School, **30 days notice is required**. The request must be received on or before the first of the month. Not providing 30 days notice will result in the **loss of one month's tuition**. A parent wishing to withdraw their child must first meet with a School Administrator to obtain a withdrawal form. Withdrawal of a student is not considered until the withdrawal form is returned to the school office. No deductions will be made from tuition for absences during the school year. If a student misses school for any reason and has attended one day or more of any month, the parent owes the full month's tuition. In the event that a family falls into arrears in the payment of tuition fees, parents are asked to withdraw their child(ren).

If your account is past due for more than one month, a statement indicating your debt will be mailed to you. To receive your child's report card, all accounts must be current at the end of each reporting period. A charge will be assessed to the payee's account for returned (NSF) cheques. If tuition fees are in arrears, students may not participate in any special trips or activities. If parents find it necessary to have their cheques withheld due to insufficient funds, they must notify the Accounts Administrator no later than 5 days before the end of the month. If a cheque is withheld, there will be a \$30 handling and administration fee. A 10% late fee will be applied to payments received after the 5th day of the month.
